Federal Rule of Civil Procedure 45 (c), (d), and (e) (Effective 12/1/07)

(c) Protecting a Person Subject to a Subpoena.

(1) Avoiding Undue Burden or Expense; Sanctions. A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The issuing court must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

(2) Command to Produce Materials or Permit Inspection.

(A) Appearance Not Required. A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) Objections. A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the issuing court for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) Quashing or Modifying a Subpoena.

(A) When Required. On timely motion, the issuing court must quash or modify a subpoena that:

(i) fails to allow a reasonable time to comply;

(ii) requires a person who is neither a party nor a party's officer to travel more than 100 miles from where that person resides, is employed, or regularly transacts business in person — except that, subject to Rule 45(c)(3)(B)(iii), the person may be commanded to attend a trial by traveling from any such place within the state where the trial is held;

(iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(iv) subjects a person to undue burden.

(B) When Permitted. To protect a person subject to or affected by a subpoena, the issuing court may, on motion, quash or modify the subpoena if it requires:

(i) disclosing a trade secret or other confidential research, development, or commercial information;

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party; or

(iii) a person who is neither a party nor a party's officer to incur substantial expense to travel more than 100 miles to attend trial.

(C) Specifying Conditions as an Alternative. In the circumstances described in Rule 45(c)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(ii) ensures that the subpoenaed person will be reasonably compensated.

(d) Duties in Responding to a Subpoena.

(1) Producing Documents or Electronically Stored Information. These procedures apply to producing documents or electronically stored information:

(A) Documents. A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) Form for Producing Electronically Stored Information Not Specified. If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) Electronically Stored Information Produced in Only One Form. The person responding need not produce the same electronically stored information in more than one form.

(D) Inaccessible Electronically Stored Information. The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) Claiming Privilege or Protection.

(A) Information Withheld. A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

(i) expressly make the claim; and

(ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) Information Produced. If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the court under seal for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(e) Contempt. The issuing court may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena. A nonparty's failure to obey must be excused if the subpoena purports to require the nonparty to attend or produce at a place outside the limits of Rule 45(c)(3)(A)(ii).

Overpaid Tax Applied to Other Taxes You Owe

We applied \$6.00 of the overpaid tax on your 2007 tax return to the unpaid balance of other federal taxes which our records show you owe.

You may still be due a refund if we applied only part of your overpayment to other taxes. You also may be due a refund if you recently made a payment against the other taxes that we had not credited when we applied your overpayment. In either case, you will receive a check for any refund due to you as long as the amount is greater than one dollar. You must request a refund of less than one dollar. If you have any questions, please call us at the number listed above.

The figures below show our calculation:

How We Applied Your Overpayment

Amount of Overpaid Tax on Your Return	\$6.00
Amount of Interest You Earned on Overpayment	\$.00
Total Amount Due You	\$6.00
Total Amount Applied	\$6.00
Amount to be refunded Unless You Owe Other Obligations	\$.00

(Your refund may include interest. Please be aware that interest you receive on tax refunds is taxable income to you in the year you receive it. Please retain this notice for your records.)

Where We Applied Your Overpayment

Form(s)	Tax Period(s)	Amount(s) Applied	Balance Remaining
1040A	December 31, 2001	\$6.00	\$15,944.46

The following information may pertain to you if you are currently married or were previously married. Did we use your refund to pay for income taxes that you and a former (or current) spouse owe? If you file a claim, you may be eligible to receive relief from having to pay your former (or current) spouse's income tax debt. A successful claim for relief could change the tax you have to pay. You may not owe anything at all. You could receive your refund or other payments back.

Please see, legally, financial act upon all taxes issues of b e smith aka beverley e smith ss#205-48-9094. Due to all legal and equitable issues B E Smith became "HOMELESS WITH BELOW POVERTY INCOME and still being denied food stamps and medicine needed by the same lehigh county pa (all entities, all individuals if involved in all ways all surrounding and all within) as possibly NO DIVORCE SETTLEMENT WAS EVER GIVEN AND LEHIGH COUNTY PA still persists in interfering and more in all federal and us supreme court issues. B e smith filed all taxes timeliness and all other surrounding and all within issues in all us courts and all lehigh county pa courts and all other courts all on and all in all behalfs of the plaintiffs due to ongoing problems.

Due to the events in the past besides two vehicles stolen and missing with many financial files and records and federal and states evidences inside, home office records and more taken, storage taken and more b e smith asked the irs to help with all the plaintiffs taxes of which apparently if correct the gross figure your records apparently shows a gross amount that was derived by making deliveries (please recheck and reconfirm in all legal and equitable writings also due to monies years ago put into a charles schwab account and refused by smith -a \$90 check turned into \$90,000 worth of stock years ago. B E SMITH REFUSED TO TAKE POSSESSION. PLEASE MAKE THESE APPARENT GROSS AMOUNTS WERE DERIVED BY DELIVERY INCOME ALSO .Please call the lehigh county pa divorce master at 610-782-3820 and ask that person why (if correct) these taxes have not been paid if correct when the divorce took place (if not paid) with all possible no divorce settlements. Mary B wagner (-Smith ex-wives attorney name is melissa pavlack also Allentown pa-an officer of the courts). These delivery incomes were earned while still married. Wayne nottle was mary and beverleys tax preparer before, if needed (nottles tax service in whitehall pa).

In late 2010, the irs in bethlehem pa supplied smith with some figures of which b e smith sent in documents and also hand delivered (due to no monies) some years to the irs in bethlehem pa.

Please research all possible refunds sent since 2000-2001 and whether b e smith received and signed for these issues. Also, please complete all b e smiths taxes and release all held back monies and all attached monies/refunds to all supposed funds owed if correct. Please see all irs offices involved and condense if possible: Bethlehem pa, Bensalem pa, Holtsville new york, Cincinnati ohio, Andover massachusetts.

This is an extreme hardship case and this typings was done by a public library.

Top 100 US Federal Contractors

From Wikipedia, the free encyclopedia

The **Top 100 Contractors Report** is a list developed annually by the U.S. General Services Administration as part of its tracking of U.S. federal government procurement.^[1]

The Top 100 Contractors Report for Fiscal Year 2009 lists contracts totalling \$294.6 billion (2008: \$303.7 billion).^{[2][3]} In the same period, small business contracts totalled \$96.8 billion (2008: \$92.1 billion).^{[4][5]}

Federal Procurement Reports provide contract data that may be used for geographical, market, and socio-economic analysis, as well as for measuring and assessing the impact of acquisition policy and management improvements.^[6]

In Fiscal Year 2010, the top five departments by dollars obligated were the Department of Defense (\$365.9 billion), Department of Energy (\$25.7 billion), Health and Human Services (\$19.0 billion), General Services Administration (\$17.6 billion), and NASA (\$16.0 billion).^[7]

In addition to the consolidated federal totals, the Top 100 Contractors Report includes worksheets listing the top hundred contractors by department and agency.

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-3000

OFFICE OF THE CHIEF HUMAN CAPITAL OFFICER

MAY 23 2011

Ms. Beverley Smith
151 West Mountain Road, Apartment 5
Allentown, PA 18109

RE: Freedom of Information Act Request
FOIA Control Nos.: 11-FI-HQ-01347 and FI-485782

Dear Ms. Smith:

This letter is in reference to your Freedom of Information Act (FOIA) request dated March 24, 2011. In your request, you asked for information regarding all motions and petitions to the Department of Housing and Urban Development's director, to submit all financial figures to the United States Supreme Court and United States Bankruptcy Court, for the Southern District of New York to complete all US Cites Rebuild Americas Endeavors pertaining to FEDScvd4457 and POC number 70464.

When responding to a FOIA request, HUD searches for responsive documents existing up to the date the request is received in the Department's FOIA Office. Your request was received on March 24, 2011.

Please be advised that the Department will comply with your request to the extent permissible by law. Any records not subject to an exemption will be forwarded to you promptly upon the completion of the Department's search and review process.

After careful review of your request by HUD staff, I have determined that your FOIA request is not specific enough to help the Department locate the requested records. A reasonable description is needed to ascertain and locate exactly what records are being sought. In its present form, your request is so broad it would impose an unreasonable burden upon the Department. Generally, a record is adequately described when the description contains sufficient file-related information (type of document, title, subject area, date of origination, etc.) or the request contains enough event-related information (date and circumstances surrounding the event the record covers) to permit an organized search.

Please clarify your request within 10 business days from the date of this letter. If I do not hear from you within that time, I will conclude that you do not desire further processing and your request will be withdrawn. Please be advised that this action will not preclude you from filing other requests in the future.

**GUIDE FOR PROSPECTIVE INDIGENT PETITIONERS FOR WRITS OF
CERTIORARI**

I. Introduction

These instructions and forms are designed to assist petitioners who are proceeding *in forma pauperis* and without the assistance of counsel. A copy of the Rules of the Supreme Court, which establish the procedures that must be followed, is also enclosed. Be sure to read the following Rules carefully:

- Rules 10-14 (Petitioning for certiorari)
- Rule 29 (Filing and service on opposing party or counsel)
- Rule 30 (Computation and extension of time)
- Rules 33.2 and 34 (Preparing pleadings on 8½ x 11 inch paper)
- Rule 39 (Proceedings *in forma pauperis*)

II. Nature of Supreme Court Guide For Prospective

It is important to note that review is not a matter of right, but of judicial discretion. The Supreme Court is not to correct errors in the lower courts on issues of importance beyond the merits of the case. The vast majority of petitions are denied and hears argument in the Court. The denial of a petition is not a comment on the merits of the case. The Court has chosen not to accept review of the merits of the case.

Indigent Petitioners
For writ of Certiorari
30 pages (all pages are
legally and equitably
included)

certiorari is not of the Supreme Court. Cases presenting issues of importance are reviewed. The Court does not comment on the merits of the case. The Court's decision is final.

Every petitioner for a writ of certiorari must file a petition. The petition should include a statement of the issues presented and a statement of the reasons why the petitioner believes the Supreme Court should review the case. The petition should also include a statement of the petitioner's financial resources and a statement of the petitioner's efforts to obtain counsel. The petition should be filed with the Supreme Court and the lower court. The lower court will then decide whether to grant the writ of certiorari. If the lower court grants the writ, the case will be reviewed by the Supreme Court. If the lower court denies the writ, the case will not be reviewed by the Supreme Court.

Considerations for the decision of the Supreme Court include the importance of the issue, the conflict among the lower courts, and the need for uniformity in the law.

III. The Time for Filing

You must file your petition for a writ of certiorari within 90 days from the date of the entry of the final judgment in the United States court of appeals or highest state appellate court or 90 days from the denial of a timely filed petition for rehearing. The issuance of a mandate or remittitur after judgment has been entered has no bearing on the computation of time and does not extend the time for filing. See Rules 13.1 and 13.2.

TOTAL BALANCE DUE
The garnishee shall rely on this amount.

The following statement is not the law but is an interpretation of the law which is intended to assist those who must respond to this garnishment. You may rely on this only for general guidance because the law itself is the final word. (Read the law, § 34-29 of the Code of Virginia, for a full explanation. A copy of § 34-29 is available at the Clerk's office. If you do not understand the law, call a lawyer for help.)

An employer may take as much as 25 percent of an employee's disposable earnings to satisfy this garnishment. But if any employee makes the minimum wage or less for his week's earnings, the employee will ordinarily get to keep 30 times the minimum hourly wage.

But an employer may withhold a different amount of money from that above if:

- (1) The employee must pay child support or spousal support and was ordered to do so by a court procedure or other legal procedure.
- (2) Money is withheld by order of a bankruptcy court;
- (3) Money is withheld for a tax debt.

"Disposable earnings" means the money an employee makes "after taxes" and after other amounts required by law to be withheld are satisfied. Earnings can be salary, hourly wages, commissions, bonuses, payments to an independent contractor, or otherwise, whether paid directly to the employee or not.

If an employee tries to transfer, assign or in any way give his earnings to another person to avoid the garnishment, it will not be legal; earnings are still earnings.

Financial institutions that receive an employee's paycheck by direct deposit do not have to determine what part of a person's earnings can be garnished.
